2009 NAREA Annual Meeting & Workshop – “Experiments Applied to Environmental and Agricultural Economics”

June 7 - 9
Burlington, Vermont

President's Column

Steve Smith

Our 2008 meeting, joint with the Canadian Agricultural Economics Association, is at hand. I look forward to seeing you there. Lori Lynch, our President-Elect and Program Chair, has finalized the program, working closely with the CAES organizers. Jill Caviglia-Harris has posted the final program on our website. (<http://www.narea.org/2008meeting/index.html>)

Jill again worked very hard to refine the on-line submission process that worked so well the first time last year.

The workshop on Domestic and International Agricultural Policy, chaired by Barrett Kirwan, will be a pre-conference workshop instead of post-conference, to be held on Sunday, June 29.

The 2009 annual meeting will be held June 7-9 in Burlington, Vermont, at the Sheraton Hotel. The rates are a very reasonable \$105 per night, with free parking. Watch for the Fall Newsletter for further details on both the conference and workshop. Local arrangements chairs are Qingban Wang and Bob Parsons

Our awards have been determined, and are listed later in the newsletter. This year we expanded the number of graduate student travel grants to ten, and we have students from all over the country attending.

I would like to thank the committees for their work in selecting the awards. The committee chairs are Rigoberto Lopez for the Thesis Awards; Lori Lynch and

Wes Musser for the Outstanding ARER Paper Award; George Criner for Distinguished Member Award; Harry Kaiser for the Outstanding Public Service Through Economics Award; and Lori Lynch for Graduate Student Travel Grants.

Our elections for President-Elect and two new Board positions were concluded, and the results are:

President-Elect: Jackie Geohegan
Board: Jeff Hyde and Kent Messer.

Congratulations, and thank you very much for your willingness to serve NAREA. I would also like to thank all the candidates for your willingness to contribute to the association.

We also have a new government representative to the board, Will Wheeler of the EPA. He will replace Mike Roberts, who is moving to North Carolina State University.

We are in the market for a new industry representative. Bob Yonkers has been a committed representative for two terms, and is stepping down. If you have ideas for this position, please send them to me.

As this will be my last newsletter, I would like to reiterate what a pleasure it has been to work with such a supportive board and officers. In addition, we cannot function without the work of our several committees and the volunteer local arrangements chairs. We have a vibrant and dynamic organization because of the dedication of those people. The new President, Lori Lynch, will need to select new committees and chairs. Please volunteer to perform these vital tasks.

Secretary/Treasurer's Report

2008 Membership fees are now due. This year the Board has authorized 2 options: the annual dues are the same as in the past, \$25US regular and \$5US student; however, a new option for a 3 year membership is possible at a discounted price – \$65US for regular and \$10US for student. These options are also available through the AAEA website for those that pay in that manner.
