

# Application for Membership: Northeastern Agricultural & Resource Economics Association

## For Year 2012

PURPOSE: The purpose of NAREA is to stimulate and promote research on economic and social problems related to the production, marketing and consumption of agricultural products, natural resource use and community economic development, and the interrelation of the agricultural and rural economy with the rest of the economy.

ORGANIZATION: NAREA is organized as a group of professional agricultural economists and other persons interested in promoting the purposes of the Association.

AFFILIATION: NAREA is officially affiliated with the Agricultural and Applied Economics Association, and its President shall serve as an ex officio member of the AAEA Board of Directors. NAREA shall not be affiliated with any other institution, organization or agency, either public or private.
